ARTICLE 7

REDUCTION IN HOURS, LAYOFF AND RECALL

A. Layoff Defined

1. Layoff shall be defined as a reduction in number of employees in the work force beyond normal attrition.
2. The layoff procedures in this Article will only be applied to a reduction in an employees work hours when the reduction exceeds two (2) hours per day in a single fiscal year (July 1 to June 30). The recall provisions will not be applied where an employee's hours have been reduced.

B. Layoff Notice

1. No employee shall be laid off pursuant to a reduction in the work force unless said employee shall have been notified in writing of said layoff at least thirty (30) calendar days, when possible, prior to the effective date of the layoff.
2. No employee shall be reduced in hours unless said employee shall have been notified in writing at least five (5) work days prior to the effective date of the reduction in hours.

C. Layoff/Reduction Procedures

All employees including employees holding more than one position, as permitted under Vacancies, Transfers & Promotions (Article 9), paragraph H, and who have their hours reduced or one of the positions eliminated based on seniority shall be assigned to another position for which they are qualified according to the procedure outlined below.

The Employer shall first lay off probationary employees within the affected work category(ies), then the least senior employee(s) within the work category(ies) being reduced until the necessary reduction is completed. The Board reserves the right to determine the affected work category(ies) being reduced.

Employees with more seniority, who have been affected by a reduction in the workforce shall assume a position within the same work category which is held by the least senior employee.

Employees facing layoff, who are determined by the Board to possess the necessary qualifications for a position in another work category, may displace a less senior employee in such other work category(ies) not affected by the layoff. (School year employees cannot displace full year employees.)

Employees must have required certification or licenses in place at time of layoff if they are to assume the new position.

Laid-off bargaining unit members may continue their health, dental and vision benefits under COBRA, by paying the regular monthly subscriber group rate premium for such benefits to the employer (as described in the COBRA Act of 1986) and life insurance conversion rights.

D. In no case shall a new person be employed while there are laid off employees who are eligible for recall and who are qualified for the position.

E. Substitute Priority

1. An employee who has been laid off or reduced in hours shall, upon written application, be granted priority status on the substitute list according to seniority (if qualified). Employees willing to sub will be called in order of seniority with the most senior being assigned the positions with the most hours. If no subs are available from within the bargaining unit, the Board may obtain subs from outside the bargaining unit.
2. An employee who has successfully completed the probationary period within a work category shall be deemed qualified for any position in that work category. Completing the probationary period within a work category, or having required licenses or certification are examples of ways to be qualified but not all inclusive.
3. Bargaining unit members who are qualified and willing to sub in bargaining unit work categories, when possible, shall be granted priority over persons outside the bargaining unit.

F. Recall

1. Employees shall be recalled in order of seniority (most senior first) to any position for which they meet the qualifications as the position is posted. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the bargaining unit member is to report back. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address.
2. A recalled employee shall be notified in writing and given five (5) calendar days from receipt of notice, excluding Saturdays and Sundays, to notify the Employer of their intent to return to work. The District may fill the position on a substitute basis until the recalled employee can report for work providing the employee reports within the fifteen (15) calendar day period from their notice to return.
3. An employee who declines to accept recall to perform work for which they

are qualified shall forfeit their seniority rights to the position and the District shall recall the next most senior employee(s) until the position is filled. Bargaining unit members recalled to the same number of hours worked prior to layoff for which they are qualified are obligated to take said work. A bargaining unit member who declines recall to full-time work for which they are qualified shall forfeit their seniority rights.

4. Acceptance or refusal of recall to a position, which is lower in pay and/or benefits than the position from which the bargaining unit member was laid-off shall not affect a person's rights to recall to an equivalent position.

G. Recall of Newly Qualified Employees and Use of District Seniority

2. After the probationary period is satisfactorily completed as determined by the District, said employee may invoke their District seniority. If the recalled employee has more District seniority than other employees in the work category they will displace a less senior employee in that work category to obtain greater hours. The District will adjust employees' hours within ten work days.
3. An employee may not arbitrarily bump an existing employee unless this action is precipitated by recall to a new position or vacancy.

H. Length of Recall Rights

Employees on layoff shall retain their seniority for purpose of recall for a period of two (2) years.
